

Constitution Amendment #1:

This is in the eyes of governance reform. Over the last couple of years, the SOSA Board of Directors has begun moving more towards an administrative board rather than a development board, especially with the recent creation of the Technical Advisory Group and Match Officials Development Committee. As such, it was suggested that a smaller board might be more effective.

Amendment suggestion:

- 1) Rename "Seniors Director" to "Director-at-Large". Its responsibilities shall be assigned by the Board of Directors as required.
- 2) Remove one Western, Central, and Eastern Area director (rather than two of each). One of these directors shall be elected shall be elected at the same time as the Director-at-Large (even numbered years), while the other two shall be elected in odd numbered years.

This could be effective as of AGM 2016, or could be partially delayed until AGM 2017. Either way, the first portion should become effective as of AGM 2016.
