

## Rules and Regulations changes

### I Membership

The majority of this section has been moved to the SOSA Membership Policy and associated documents. The remaining two sections (“Life Membership” and “Associate Membership”) have been renumbered to suit, and Item “b” of Associate Membership has been changed to refer to the SOSA Membership Policy.

### III Club Registration

From the section removed from the Bylaws, add to sub-sections “a” (youth clubs) and “b” (senior clubs).

### V Player, Team Official, and Administrator Registration

Remove the exceptions. They haven’t been in the rules for at least three years.

### VII Movement of Players (Playing Up)

Remove entirely. It is covered by OSA procedures now.

### IX Minutes of the Meetings

This is all required standard practice under non-profit organization law in Ontario. As such, remove duplication. Note that all SOSA minutes are made available on the website (archive dates back to Oct 2012).

### XIII Referees

This is covered by the SOSA Referee Policy. As such, remove entirely.
